IMPORTANT NOTICE

DATE: July 7, 2005
TO: Class "A" Private Investigative Agencies
FROM: Gene Bryan, Director, Division of Licensing
SUBJECT: Elimination of Insurance Requirement for PI Agencies

The Florida Legislature passed legislation during its 2005 session that will directly affect the operation of private investigative agencies throughout the state. My purpose in writing today is to inform you about this legislation.

Effective October 1, 2005, Class "A" Private Investigative Agencies will no longer have to maintain comprehensive general liability insurance as a condition for licensure. As of the effective date of October 1, 2005, there will be no further need to submit a Certification of Insurance form at time of license application or renewal.

If you have any questions about this change, please call one of our representatives in our Public Inquiry Section at 850-245-5691 or telephone the Regional Office nearest you.
